**FOR IMMEDIATE RELEASE**

## **KOSY 106.5 CHRISTMAS KIDS**

KOSY 106.5 FM wants to put your school choir on the radio!

KOSY 106.5 presents a very unique opportunity that reaches deep into the community and embraces what the Holidays are all about ... *Children.*

Featuring choirs, madrigals and various other music groups from all along the Wasatch Front, KOSY 106.5 will play performances from elementary through high school on the air and online at [www.kosy.com](http://www.kosy.com).

Beginning in mid-October, you can submit your schedule of performances, photos and songs on the KOSY website to be posted, so parents, friends and relatives can stay in the know.

From early November we'll play those performances throughout the week, all the way up until Christmas Day.
