

A PEEK AT PEEP

Provo Early Education Program/ 801-374-4965

Happy Halloween

We are excited to let you know about opportunities for you and your children to be out and about for a happy and safe Halloween.

The Provo Downtown Alliance is welcoming Trick-or-Treaters on Halloween afternoon from 3pm to 6pm. Your children can go business to business to trick or treat. The businesses who are participating are on Center Street from 500 W. to 100 E. and on University Ave from Center Street to

about 400 N. The Alliance is also doing some carnival type booths and games on University Ave in the same area.

The Local Malls usually also have stores who will allow your children to trick or treat their businesses.

You may also check with local church organizations to find out when their "Trunk or treat" activities will be held (Almost all LDS wards sponsor these activities).

Sniffles and Coughs

Unfortunately the cold and flu season is just around the corner. We wanted to remind you that we are doing our best to help you keep your child healthy. We need your help by being aware of your own child. If your child has a runny nose, fever, or a cough of any kind please do not attend playgroups until symptoms are gone.

Children attending sibling care should follow the same rules.

Health Care Tip: remember that when you go grocery shopping you should take care to wipe down the area your child sits in and touches the grocery cart with a sanitizing wipe or hand sanitizer.

Toddler Tidbits

This month we will be doing Halloween activities. We will be practicing trick-o-treating the week of Halloween and the children are invited to come to playgroup that week dressed up in their costumes. We will learn some new Halloween signs and having some great Halloween snacks. We will also have some great tactile experiences with scooping out pumpkin seeds! Reminder: as colder weather gets here, more children seem to get sick. Please do not bring your child to playgroups if they are sick. Thanks!!! Remember that there will be NO special instruction playgroups Oct 13 through 17th as well as Community Activity week Oct. 20 through 24. Our Community Activity is Oct. 22 at Vineyard Garden Pumpkin Patch at 10:30. More information is available in the classroom, see below, or through your service coordinator.

Happy Fall !

"Little hands don't
stay small forever—
savor every moment
and let the world go
by for now"
.....

Pre-Toddler Pointers

PreToddler Parent training group will focus on Halloween for PEEP's littlest goblins. We will play peek-a-boo with Halloween masks and hide objects to encourage object permanence. Smashing orange Jello will be the tactile activity. We will emphasize self feeding skills by holding a spoon

and eating orange yogurt. A pumpkin patch will be loaded with fun opportunities to crawl, kneel, walk and squat to stand to pick up pumpkins (balls) using social skills of sharing and imitating. Language will be entered around BOO, and me.

October Community Activity week

Vineyard Gardens Pumpkin Patch

435 South Geneva Road---Orem

10:30AM October 22

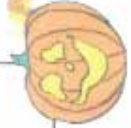

Please arrive promptly as we are paying for your family on a group discount. There will be PEEP staff there—please check in with staff when you arrive and check out when you leave. Pumpkins are 1\$ please pay PEEP Staff. Remember: no playgroups this week!
